

## Casual studio hire rates - photography & video

We now offer a few hire rate options depending on the scale and production differing shoots can require of the the studio.

Providing adequate details of your shoot and your requirements when enquiring or booking is imperative to ensure your shoot goes smoothly and the appropriate rate is applicable.

For instance a tabletop product shoot with a couple of crew and a client doesn't have the same impact on energy, wear and tear and cleaning that a fashion shoot with a number of crew, clients, multiple talent, hair and make up artists and stylists. Larger shoots also generally need to utilise additional space like our front meeting / break out area.

For a full day booking the studio is available from 8AM with bump out by 6PM

For an earlier bump in than 8AM on the day or additional hours after 6PM the rate is \$77 / hour.

Bump ins on the day prior to your booking (if available) are charged at \$77 / hour.

A clean up fee may be incurred if the studio is left in an overtly untidy state or if excessive marks are left on the floor.

## Payment terms

A 50% DEPOSIT at least 48 hours prior to the booking is required with the BALANCE SETTLED ON THE DAY.

AD AGENCIES - Please note accounts are NOT issued. Invoices are C.O.D.
